WINTER 2020 CAPSULE WARDROBE

Welcome to my winter capsule wardrobe! I've picked 26 items (many of which are in my own closet!) that you can mix and match to create well over **500 outfits**, no matter the occasion! If that sounds insanely daunting, don't fret: I'll show you how!

Since many of you messaged me to ask for workwear and weekend outfit ideas, I divvied up this capsule by outfit type (date night outfit, weekend outfit, and workwear outfit) instead of by weather. While I outline over 500 outfits in this guide, that's by no means all of the possible combinations. Go ahead and mix and match the pieces to make them more **you**!

Speaking of pieces, you'll recognize a few of them from my last capsule wardrobe (like my favorite [fleece turtleneck!](#)). I've also thrown in a lot of basics like [dark wash jeans](#), [riding boots](#), and a [white button-down blouse](#) - if you have similar items in your closet already, use those! No need to reinvent the wheel (or your closet!) here. Also: I made this capsule with a mild Texas winter in mind, so you might need to bring in some heavier-weighted fabrics and/or tights if you live somewhere cooler (aka just about anywhere else).

An important note: pages 4 and 5 of this guide are fully interactive: when you see something you want, just click the image on one of those pages. The link to that item will then open in a new tab.

As always, thank you so much for your continued support of Glitter & Spice. I hope you and your families are staying healthy and safe during this time. Happy Holidays!

XO Amanda
